

ISO/TC 197
Hydrogen technologies

Email of secretary: jim.ferrero@bnq.gc.ca
Secretariat: SCC (Canada)

Registration Form for ISO TC 197 meetings in The Netherlands

Document type: Other meeting document

Date of document: 2016-10-18

Expected action: ACT

Action due date: 2016-11-16

Background: Here is the Registration Form for the meetings in The Netherlands coordinated by JRC.
A Word version of the Registration Form will be sent out separately as document N 779.

This form needs to be completed and submitted to JRC (the email address is in N 776) by November 16th, at the latest.

Note that there will be meetings of WG 5, WG 22, WG 27 and JWG 7 on December 5th and 6th at Shell in Amsterdam, but they are not coordinated by JRC. Thus, they are not mentioned in the JRC documents. The arrangements for these WG meetings are being made by the individual WGs.

JRC is in the process of finalizing the arrangements with a hotel in Egmond. As soon as possible, we will send out a link for reserving hotel rooms with a group rate.

Also, in a week or so, we will send out more information concerning the workshop (see the title in the JRC documents) that will take place on December 7th.
