Title: Invitation to the second meeting and to establish a liaison with CEN-CLC/TC 6 on Hydrogen in energy systems.

Dear Mr. Ferrero,

With this letter we would like to kindly remind you about the established CEN-CENELEC Technical Committee on Hydrogen and the invitation to establish a liaison.

The Technical Boards of CEN and CENELEC have created the CEN/CENELEC Joint Technical Committee on Hydrogen under NEN (Dutch Standardization Institute) Secretariat. We would like to invite you to formalize the liaison with ISO/TC 197 and this Technical Committee (CEN-CLC/TC 6)..

The second meeting of the new TC on Hydrogen is intended to be held on 18 November 2016 in Brussels. We would very much welcome your participation in this meeting.

Yours sincerely,

Françoise de Jong  
Secretary of CEN-CLC/TC 6
