

ISO/TC 197 Chairmanship

information to P-members, O-members and liaisons

Dear members,

We are pleased to inform you of the appointment of Mr. Randy Dey as the new chairman of ISO/TC 197. Mr. Dey has been involved in standardization work for more than 25 years. His knowledge and experience of the subject matter and the international standardization work will certainly be useful to the committee.

Randy looks forward to working in cooperation with all of you on the standardization of hydrogen technologies. You can contact him at the following address:
