“Gaseous Hydrogen Service Stations”

Submitted by Canada

Circulated for approval by Sept. 27, 2003

Grenoble, France

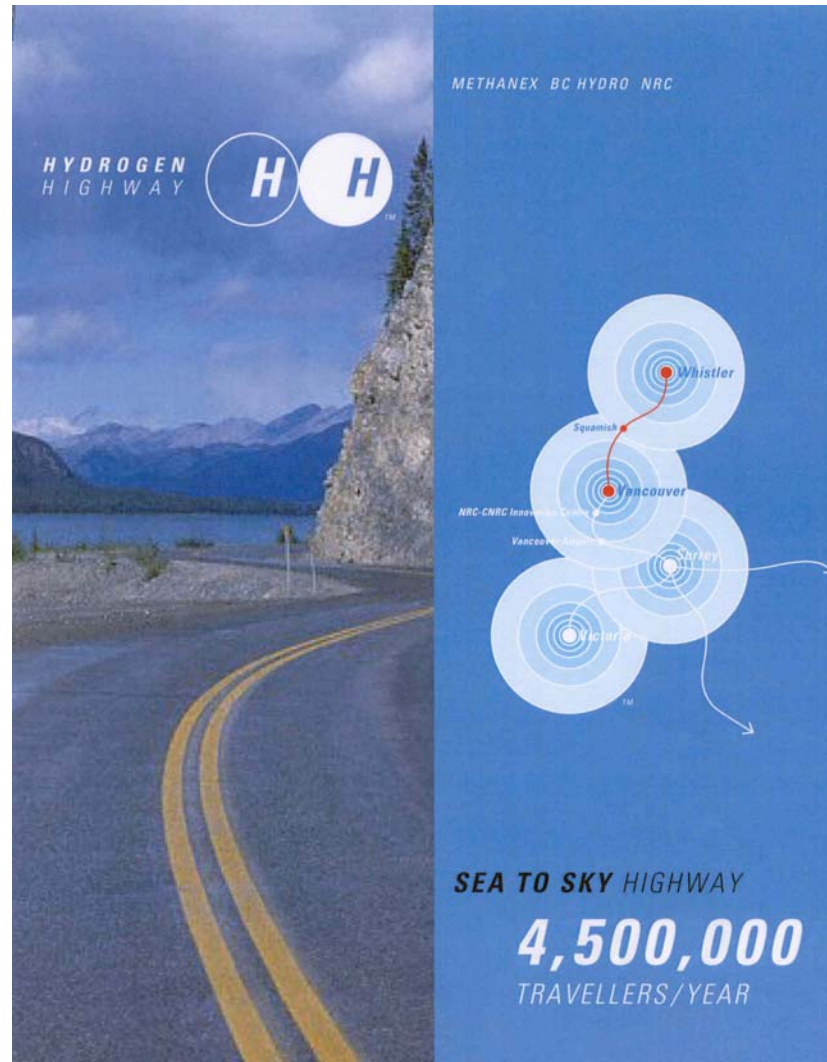

Gaseous Hydrogen Service Stations

- Scope of Pathways
 - On-site Production of Hydrogen
 - Natural gas based reforming on-site
 - Methanol based reforming on-site
 - Other Hydrocarbons
 - Electrolysis
 - Delivered Gaseous Hydrogen (trucked in)
 - Delivered Liquid Hydrogen and Gasified On-Site

Practical Application

- Hydrogen Highways
 - Transportation Applications
 - Stationary Applications

Example - BC, Canada
