

Establishment of the liaison with the European Hydrogen Association

information to P-members, O-members and liaisons

Dear members,

We pleased to inform you that the request for a category A liaison from the European Hydrogen Association was unanimously approved by the ISO/TC 197 P-members who replied to the consultation carried out through ISO/TC 197 document **N 247**.

The ISO/TC 197 Secretariat will request the ISO Central Secretariat that this liaison be officially recorded. The results of the consultation are attached for your information.

The Chairman and myself would like to welcome the European Hydrogen Association on behalf of the entire committee.

Yours sincerely,

Sylvie Gingras, Secretary of ISO/TC197
Bureau de normalisation du Québec
on behalf of the Standards Council of Canada
