Closing date of voting
 2004-06-15

ISO/TC 197 N 299

Secretariat
 SCC/BNQ

A report shall be returned to ISO/CS no later than 3 months after the closing date of voting on the DIS, whether or not comments have been reviewed and/or a new text has been prepared.

- Preliminary report**
(submitted in those cases where comments are still to be considered and/or a decision has not yet been taken, or where it is decided that the nature of comments indicates a need for further consultation and/or reversion to a previous project development stage). To be followed by a 'Final report'.
- Final report**
(submitted either immediately, when all comments have been reviewed and a decision can be taken, or following a 'Preliminary report'. The final report is circulated by ISO/CS to member bodies, and is distributed with any associated DIS or FDIS text)

1 Result of the voting

The above-mentioned document was circulated to member bodies with a request that the ISO Central Secretariat be informed whether or not member bodies were in favour of registration of the DIS as a Final Draft International Standard or for publication in the case of unanimous approval.

The vote closed on the date indicated above. The replies listed in **N 299 Annex A** have been received.

2 Comments received See **N 299 Annex B**

3 Observations of the secretariat

4 Decision of the Chairman

Preliminary report (no annexes required)

- The comments are under review and/or a decision on further procedure has not yet been taken
- The project is to revert to the Preparatory Stage (a new working draft will be developed)
- The project is to revert to the Committee Stage (a new committee draft will be developed)

Final report

- Having received 100% approval from the member bodies voting, the DIS is approved for direct publication without change other than editorial (no FDIS vote)
(Option not applicable to projects progressing under the Vienna Agreement)
- A revised text is to be submitted to ISO/CS for the approval procedure (FDIS vote)
- A revised text is to be submitted to ISO/CS for a further enquiry (DIS) vote

Remarks (e.g. observations on how comments were reviewed, date by which a decision is to be taken, date when a text is expected)

The comments received are to be returned to the joint ISO/TC 197, ISO/TC 58/SC 3 and ISO/TC 22 working group for its consideration.

The final report will follow after the comments have been addressed by the joint working group.
