**Further procedures** (attribution to TC/SC/WG, Project Leader, development procedure, meetings, etc.)

We are pleased to inform you that the comments received during the circulation of ISO/TC 197 doc. **N 350** were addressed by ISO/TC 197 WG 10 during its meeting on 6-7 September 2006 in Washington, D.C., USA. The Chair of ISO/TC 197 would like to take this opportunity to thank all the experts that have contributed to this effort as well as the members of the ISO/TC 197 editing committee.

A revised DTS text is attached for your review for a two week period ending on **22 September 2006**. Should you find any errors or omissions, please let us know because we are proceeding with the publication of this technical specification by the ISO Central Secretariat. We appreciate your cooperation in this regard as this plan has been developed in conjunction with the ISO Central Secretariat.

For your information, the responses to the comments are presented in Annex 1.
