

2008 ISO/TC 197 plenary meeting

information to P-members, O-members and liaisons

Dear members,

As mentioned by the Chair at the last plenary meeting of ISO/TC 197 in Montecatini Terme, we are expecting a confirmation from Australia that they will host our next Plenary meeting in Brisbane, Australia in conjunction with the World Hydrogen Energy Conference (WHEC). Unfortunately, we have to advise you that after repeated efforts, we are still waiting for their confirmation.

Recently, we have been advised by Australia that they are close to making the decision. We will let you know on Tuesday, 19 February 2008.

Thank you for your understanding in this matter.

Yours sincerely,

Sylvie Gingras, Secretary of ISO/TC197
Bureau de normalisation du Québec
on behalf of the Standards Council of Canada
