WG6 Vote results R1

Document type: Summary of voting

Date of document: 2013-02-01

Expected action: INFO

Background: Here are the results of the voting concerning the elimination of both WG6 and the development of IS 15869.
The comments that were submitted are included in the detailed Results of voting under the next N-number.
As a result of this vote, we will send out a request for a NWIP on this subject.

Committee URL: <http://isotc.iso.org/livelink/livelink/open/tc197>

Final compilation of the results of vote on Land vehicle fuel tanks (N563)

Note: All 19 P-Members participated in this vote.

RESULTS (excluding abstentions):

1. Agree to cancel development of IS 15869 & disband WG6: 13 of 14 = 93% (require >50%)
2. Agree to restart via NWIP with new scope and direction: 14 of 19 = 74% (require > 50%)

Both proposals are APPROVED
