ANSI will be happy to assist in writing VISA invitation letters for foreign delegates attending the meeting in the US. Please have each delegate fill out the “Information for VISA Invitation Letters” form (document N-690) and submit it to ISOT@ansi.org. Once this form is received, ANSI will move forward in writing the invitation letters. **Please note that the VISA application process can take 4-5 months in some countries to complete, and so getting the invitation letters as soon as possible is of utmost importance.**
