

ISO/TC 197
Hydrogen technologies

Email of secretary: jim.ferrero@bnq.qc.ca
Secretariat: SCC (Canada)

Experts for WG26 WG27 WG28 2015-10

Document type: Other committee document

Date of document: 2015-10-16

Expected action: ACT

Action due date: 2015-11-15

Background: As a result of the approval of three NWIPs, ISO/TC 197 has created three new WGs, which have been added to the ISO Global Directory. See the second page of this document for the names of the new WGs.

All TC 197 members wishing to nominate experts to these WGs should have the names of their experts added to the appropriate WG. Even experts whose names were submitted with a NWIP Ballot, need to have their names added to the WG. Names of experts are added by their country's member body. Attached to this document are the names of experts that were submitted with NWIP Ballots.

Note tha all three of these new WGs will hold their first meetings the week of Nov. 30th in Torrance.
