Visa Form for 26th ISO TC 197 Plenary in China

Document type: Other committee document

Date of document: 2017-10-18

Expected action: INFO

Background: This is a reminder for all TC 197 members who need a visa to attend the December meetings in Foshan, China, and have not yet sent a request for a visa invitation letter.

The Chinese have informed me that they would like to receive all requests for visa invitation letters (see the attached form previously sent out as N 857 and the Word version N 858) at the latest by **Oct. 23rd**. They say that they need approximately 7 days to process the requests.

Note that the latest draft agenda is document N 888 and the information for hotel reservations is document N 876.
