Hotel Information in Foshan rev

Replaces: N 876

Document type: Other meeting document

Date of document: 2017-11-06

Expected action: INFO

Background: Here is a revised version of the hotel reservation form. The previous hotel information form (N 876 and N 877) had an error in one of the email addresses.

Ms. Pan Ke's email address should have read pansoong@163.com. Thus it has been corrected on this form and on the Word copy of the form that will be sent out as N 894.

Being as the reservation forms were being sent to several people, this error probably did not cause problems. But for those who have not yet received their reservation confirmation, it may be useful to use the corrected email address.
