WG19

Gaseous hydrogen - Fueling stations -- Dispensers ISO 19880-2

**December 2018
Vancouver**

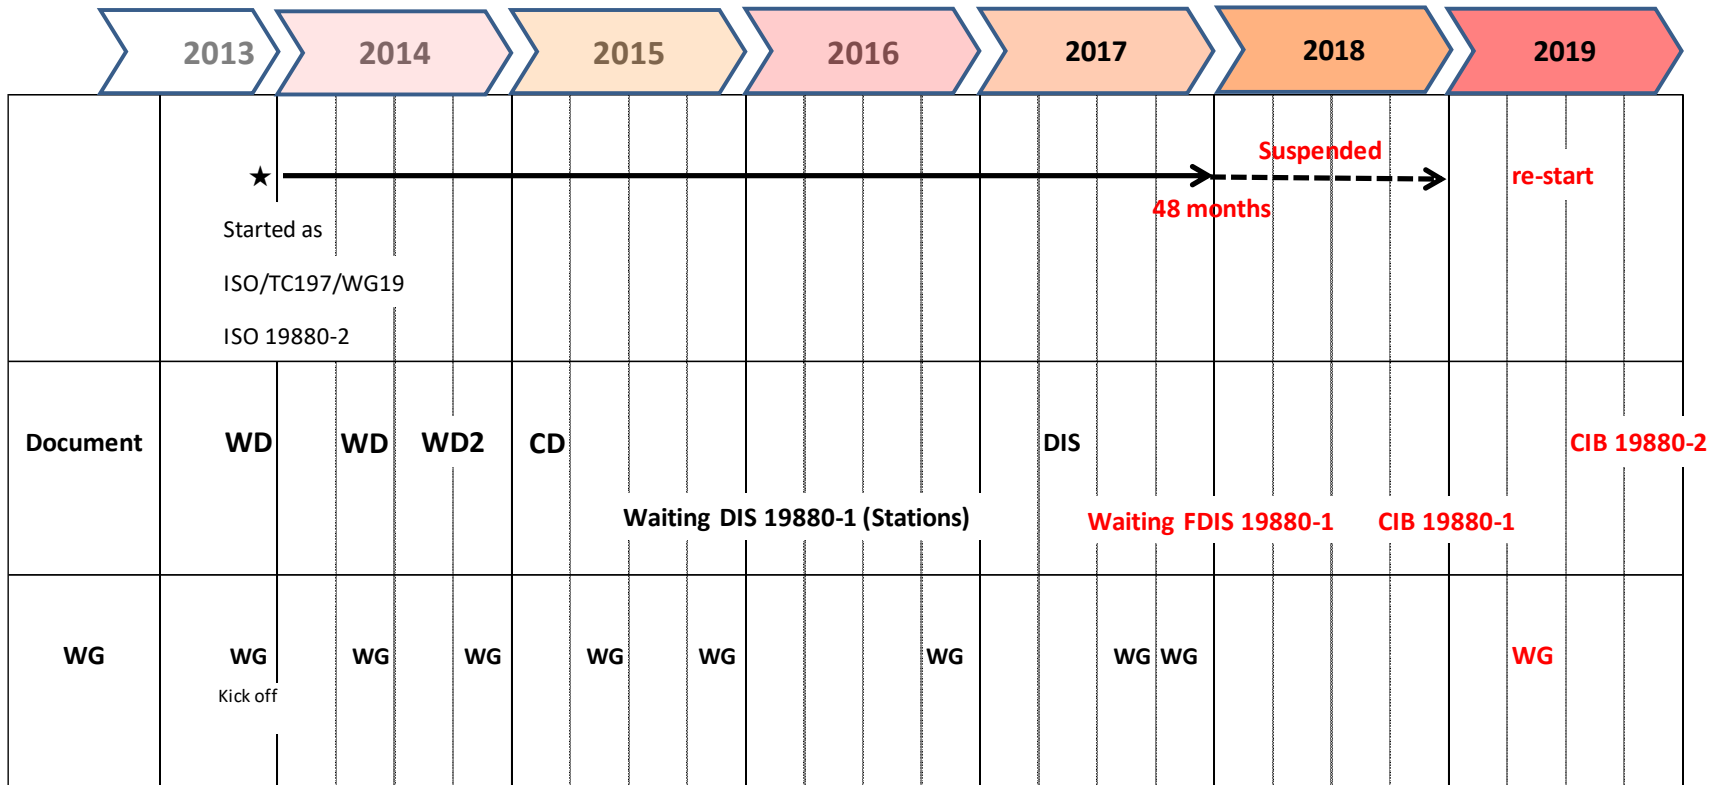

**Shogo Watanabe
Convener**

Issues of DIS 19880-2

1. Harmonization with WG24, 19880-1
 - Timing between 19880-1 and -2
 - Terminology
 - Electric resistance of breakaway, hose and nozzle
2. Clarification of dispenser, discrete or integrated

Schedule of WG19 (Dispensers) IS 19880-2

For the harmonization with WG24 (Hydrogen fueling stations), WG19 is temporary canceled until the WG24 would publish FDIS 19880-1. (Expecting it will be at the end of 2018)
